NARRATIVE

Unit #1 was driving home and Unit #2 was following Unit #1. Unit #2 is not local and was following Unit #1 to the same destination. It should be noted that there was extremely heavy fog on the road at the time of the collision. Both Unit #1 and Unit #2 were traveling at approximately 55 MPH per driver of Unit #2; this is a 35 MPH zone. As both Units approached the end of the straight away and it was too foggy to see that the road turned sharply to the right. Both Units continued straight over the curb and sidewalk. Both units traveled approximately 140 feet into the brush. It appears Unit #1 hit numerous 4x6 posts to the fence line. Driver of Unit #1 was intoxicated and Driver of Unit #2 had not been drinking. Both drivers were transported to Providence Everett Medical Center. Driver of Unit #2 had abrasions from what appears to be the air bag. Driver of Unit #1 had a fracture on his forehead and other minor cuts and abrasions. The fence is on an undeveloped property owned by Unit #3.

This collision was the result of exceeding the posted speed limit and speeds too fast for conditions (thick fog) on both Units. Also contributing circumstances for Unit #1 was the consumption of alcohol.
